		60F+	55-59.9F	45-54.9F	Under 45F	RANGE
Water Temperature						

Safety levels are set by the Lead Coach.

Lead coach and/or coaches along with their captains and safety committee members may restrict dock usage for any and all members based on weather conditions at that time.

All members are responsible to keep current with restrictions posted on River Conditions page of the MRC website.

**PFDs are required by MN law, either on rower, in boat with rower or in coaching launch.**
